Yorkville United Methodist Church is an active rural church and is known for its delicious pork chop dinners!!

All of the chops are purchased locally, marinated Overnight — then grilled on site by our hardworking Pit Crew. The many volunteers from our church spend time preparing the food and it is all served quite quickly.

We are very involved in the community and have catered the Fall Harvest Days dinner in September for years. Funds raised from our dinners help support the many missions of our church and maintenance of our church building. In 2017, Yorkville United Methodist Church will be celebrating 175 years!!

We are located about 8 miles north of the fairgrounds, just off of Hwy 20 (corner of Old Yorkville Road and 63rd Drive). Come and visit us for worship if you are in the area, or plan to attend another one of our **Pork Chop** dinners (held in April and October).

Several of our members will be participating in the Red Power Round Up in other ways, either as exhibitors or vendors.

We will also be serving **Strawberry Shortcake** in our food booth.

We look forward to welcoming the many attendees at Red Power Round Up—**please plan to join us for the Pork Chop Dinner on Thursday night!**

Don't forget to get your Strawberry Shortcake thru out the show.
